

ADHESIVES

General Information/Technical Data Sheet

AlbaChem® Eco Mist Adhesive

AlbaChem Eco Mist is an all purpose pressure sensitive textile adhesive. Screen Printing: provides temporary bond on pallets while t-shirts, cut pieces, and other textiles are printed; Embroidery: holds appliques in place before stitching; Apparel Manufacturing: hold blotting paper in place while fabric is cut. Re-tack for cutting mats.

Benefits:

- o "Flashable" screen print pallet and embroidery adhesive
- o Great for cutting mats
- o Great for cutting rooms
- o Pressure sensitive Will not transfer
- o Does not contain hexane
- o Good for use in all VOC Compliant States (In California, this product is for use as a screen printers pallet adhesive only).

Directions for Use:

Shake well before using. Spray from a distance of 6 to 8 inches from surface. Use a sweeping motion when spraying. For a permanent bond, apply moderate amount to both substrates; for a temporary bond apply light coat to one side.

Packaging/Shipping Specifications:

Item No.	Package Size	Case Pack	Case Weight	Hazmat Information*
1782C	Net Wt. 12 oz.	12 cans	13 lbs.	Limited Quantity

*The shipping designation of Limited Quantity is only valid for shipments by ground with NAFTA (United States, Canada and Mexico).

Air shipments to any location (domestic or international) and ALL shipments outside of NAFTA require flammable gas labeling. The proper shipping name is: Flammable Gas 2.1, UN 1950

Safety:

Does not contain chlorinated solvents.

Dries quickly to avoid transferring.

Requires less frequent reapplication, reducing the amount of adhesive used in the workplace.

Technical Data:

Physical Properties:

Appearance: Opaque white liquid in aerosol can

Solubility in Water: Not soluble

Odor: Aromatic petroleum/keytone

Chemical Family: Synthetic Rubber Resin in a keytone/hydrocarbon mixture

Environmental:

Volatile Organic Compound (VOC): <65%

Hazardous Air Pollutant (HAP): No Ozone

Depleting Substance: No

SARA 313 Chemicals: No

Contains No Alkylphenol Ethoxilates

WARNING: This product can expose you to chemicals including Ethyl Benzene, which is known to the State of California to cause cancer, and Toluene, which is know to the State of California to cause birth defects or other reproductive harm. For more information go to www.P65Warnings.ca.gov
